

## **Small's For All Charity**

**Unite the Union** is supporting **Smalls for All** which is a charity that was set up in 2010 that sets out to help Woman and Young girls alike.

In Africa when a girl is 'Coming of Age' and start their period if they have no underwear to use due to their poverty they are unable to go to School and get an Education.

This means that 5 days a month they miss out on Education which in turn means by the end of the year they miss 25% of that curricular year due to a normal bodily function

It has also been statically shown that those girls who are missing out on Education that week are being subject to rape and sexual abuse also.

Not only is it a health and hygiene problem for many poor African communities, a packet of pants is nothing to us but to millions of others it is an incredible luxury and hopefully you can possibly spare a thought and a packet of pants to send to Africa.

**Although primarily for girls and ladies for the reasons above  
Smalls For All – distribute pants in Africa**

**We will gladly forward ANY pants (girls/ladies/boys or men's) to Small's for All.**

If you would like to support this Charity you can drop off pants to the address below.
